BONETTI ILLUMINA DEMETRA 8-LIGHT HANGING LAMP - BRUSHED BRONZED

€ 498,00

The Demetra 8-light pendant lamp is an elegant and original solution for illuminating your rooms. Made of metal with a brushed bronzed finish, this lamp stands out for its beauty and sophistication.

The design of this suspension lamp is simple and elegant, with clean and simple lines. It adapts easily to any décor, whether classic or modern, adding a touch of style and class to your home. The brushed bronzed finish gives it a sophisticated look, while the luminous glass spheres create a bright and fascinating effect.

DESCRIZIONE PRODOTTO

The **Demetra 8-light pendant lamp** is an elegant and original solution for illuminating your rooms. Made of metal with a brushed bronzed finish, this lamp stands out for its beauty and sophistication.

The design of this suspension lamp is simple and elegant, with clean and simple lines. It adapts easily to any décor, whether classic or modern, adding a touch of style and class to your home. The **brushed bronzed** finish gives it a sophisticated look, while the luminous glass spheres create a bright and fascinating effect.

Thanks to the arrangement of the eight spheres, the light spreads evenly and intensely, creating a cosy and well-lit atmosphere. This feature makes it ideal for rooms such as living rooms, dining rooms or studies, where good lighting is essential.

This pendant is also available in a **chrome finis**h, offering further solutions to suit your personal style and preferences. Whether you prefer a more classic look with the brushed bronze finish or a more modern and contemporary look with the chrome finish, this lamp will meet your expectations.

With a diameter of 103 cm and a height of H.82 cm (maximum 108 cm), this pendant has the perfect dimensions to effectively illuminate your desired area. Place it above a dining table, in the living room or any other space that requires an attractive and functional light source.

In the section "**You might be interested**" you can find the complete collection
