

EXCLUSIVE LIGHT ANGLE WALL LAMP

€ 63,00

The **Angle outdoor wall light** is perfect for illuminating balconies and terraces with a modern design. The die-cast aluminium frame and the extra-clear frosted glass diffuser make this wall light both weatherproof and elegant.

The dimensions of the lamp are 27 cm in length, 14.5 cm in depth and 14.5 cm in height, which makes it compact enough not to take up too much space on external walls. Furthermore, the E27 socket allows the use of up to 26W LED lamps, guaranteeing a good amount of light.

DESCRIZIONE PRODOTTO

The **Angle outdoor wall light** is perfect for illuminating balconies and terraces with a modern design. The die-cast aluminium frame and the extra-clear frosted glass diffuser make this wall light both weatherproof and elegant.

The dimensions of the lamp are 27 cm in length, 14.5 cm in depth and 14.5 cm in height, which makes it compact enough not to take up too much space on external walls. Furthermore, the E27 socket allows the use of up to 26W LED lamps, guaranteeing a good amount of light.

The IP54 rating guarantees protection against dust and splashing water, which means that the lamp can also be installed without problems in wet areas such as the edges of swimming pools or near fountains. Thanks to its one-directional light, the wall light offers targeted and precise illumination, ideal for creating atmospheric effects or highlighting architectural details.
