EXCLUSIVE LIGHT ASTER 7271A WALL LAMP

€ 76,00

The Aster outdoor wall light is a rectangular-shaped wall lamp with a modern and contemporary design, perfect for illuminating the outside of your home or office. With its die-cast aluminium frame and an extra-clear frosted glass diffuser, this lamp guarantees weather resistance and long life.

The dimensions of the lamp are 28 cm long, 12 cm deep and 8 cm high, making it compact enough to fit into any outdoor space without being bulky. The lamp uses an E27 socket with a maximum wattage of 26W, providing a bright and even light.

IP54 protection rating

The Aster outdoor wall light has an IP54 protection rating, which means it is fully protected against dust and water splashes from all directions. This makes it ideal for use outdoors, even in adverse weather conditions such as rain and snow.

Bi-directional and frontal light

The lamp emits light in both frontal and bi-directional directions, thus ensuring greater luminous efficiency and uniform illumination of the surrounding area. Thanks to its rectangular shape and modern design, the Aster outdoor wall light integrates perfectly with any architectural style, from ultra-modern to classic.

Available in two finishes

The Aster outdoor wall light is available in two different finishes: pearl grey and anthracite. Both finishes are perfectly suited to any outdoor environment, from the veranda to the terrace or balcony. Choose the finish that best suits your personal style and surroundings.

Predominance of aluminium over glass

One of the distinctive features of the Aster outdoor wall light is the predominance of aluminium over glass. This gives the lamp a modern and elegant appearance, as well as ensuring a longer life. The die-cast aluminium is in fact a material that is resistant to weather and atmospheric agents, while the extra-clear frosted glass ensures an even light diffusion.
