DESCRIZIONE PRODOTTO

The Aster outdoor wall light is perfect for illuminating outdoor spaces. Its die-cast aluminium frame and extra-clear frosted glass diffuser make it weatherproof and suitable for any outdoor environment.

Its dimensions are 28 cm length, 12 cm depth and 8 cm height, with an E27 1x max 26 socket. In addition, it has an IP54 protection rating that guarantees good protection against dust and water.

The wall light has a rectangular shape with a modern and contemporary design. The light is bi-directional and frontal, perfect for creating a cosy atmosphere in your outdoor spaces.

The lamp is available in four finishes: **pearl grey, anthracite, white and rust**. Each of these finishes will give your home an elegant and sophisticated style.

The main characteristic of this lamp is the predominance of glass over aluminium. This gives the lamp a light and delicate appearance, but at the same time robust and durable. The extra-clear frosted glass diffuses the light evenly, creating a pleasant and comfortable illumination.
