DESCRIZIONE PRODOTTO

Haka suspension 1 light diam.53 in rattan is perfect for ethnic or Mediterranean style furnishings. Its original shape and the material of its diffuser make it a unique and special object, capable of enriching any environment.

Available in three different sizes (diameter 25 cm, diameter 30 cm and diameter 53 cm), this lamp allows you to choose the size that best suits your environment. In the section **you might be interested** in you can find the other diameters in the collection.

The maximum height of the pendant lamp is 200 cm, which makes it perfect even for high ceilings. Installation is quick and easy. The pendant lamp uses an E27 LED bulb, which is not included in the

package. You can choose the type of bulb you prefer, depending on the desired colour temperature and light intensity.

WHERE TO INSTALL IT

The **Haka 530 pendant lamp** is suitable for various rooms in the home. It can be installed in the living room, above the dining table or in the living area to create a cosy and relaxing atmosphere. In the bedroom, on the other hand, it can be used as the main light source or as a furnishing accessory to enrich the style of the room. Finally, in the kitchen, the **Haka 530 pendan**t can be placed above the central island or the counter, precisely illuminating the work area and creating a comfortable and homely atmosphere.

Regarding the cleaning of rattan, the material from which the lamp is made, simply use a damp cloth to remove any traces of dust or dirt accumulated on the surface. Thanks to its strength and robustness, rattan requires little care and maintenance, guaranteeing a long service life.
