The versatility of the Sumba wall light

Thanks to its small dimensions (diameter 21 cm and height 21 cm), the Sumba wall light can be used in different areas of the home. Placed next to the bed, for example, it creates perfect lighting for reading or watching TV. Moreover, thanks to its elegant and refined shape, it is also suitable for entrances, hallways and living rooms.

Maintenance of the Sumba wall light

The Sumba wall light is made of high-quality materials and requires little care to keep it in perfect condition. To clean it, simply use a soft, dry cloth. In case of persistent stains, a mild soap and water solution can be used.

The Sumba collection also offers other products, such as pendant and table lamps, allowing you to furnish your entire home with the same elegant and sophisticated style.
