DESCRIZIONE PRODOTTO

BUMBUM is a ceiling light with a cheerful and decorative character, designed to bring color and personality to home interiors. Its round, soft shape creates a welcoming, original, and instantly recognizable visual effect.

The diffuser is made of **colored ceramic** with **opal glass**, a combination that enhances the light and makes the lamp attractive even when switched off. The lamp is available in **yellow, coral orange, petrol green, mocha, cream, sand gray, and turquoise**, finishes that add a touch of cheerfulness to spaces without compromising refined design.

With its diameter of **40.5 cm**, this ceiling light is ideal for illuminating entryways, hallways, bedrooms, kitchens, and living areas with a youthful and refined taste. Its essential yet distinctive design allows it to fit easily into modern, vintage, colorful, or retro-styled interiors.

The **BumBum** collection by Ferroluce Decò includes **ceiling lights, wall lights, and pendant lights**, offering the possibility to create coordinated solutions in different rooms of the home.

BUMBUM is a collection that plays with spherical and round shapes: a lamp with an ironic name but refined taste, capable of fitting into modern, vintage, contemporary, or colorfully decorated interiors.

The collection includes **wall lights, ceiling lights, and pendant lights**, allowing you to create coordinated solutions in multiple rooms of the home.
