FERROLUCE DECÒ COPACABANA 1-LIGHT PENDANT LAMP C2682

~~€ 976,00~~ € 737,00

The **Ferroluce Decò Copacabana** 1-light suspension is an elegant and refined pendant lamp with a design inspired by **Roberto Marx**'s mosaic pebble walk.

Made from high quality materials, this lamp consists of 4 decorated ceramic elements, available in 3 colours: **cream (CRM), yellow (GIA) and sage green (VSA)**. Each ceramic element is carefully detailed, offering a unique texture that adds a touch of style and personality to any ambience.

The lamp also features a glass diffuser, inside which the light bulb is positioned. Thanks to the

opal diffuser, the light emitted is soft and warm, creating a cosy and pleasant atmosphere. This makes it perfect for illuminating a living room or kitchen, or even for providing a warm light on a particular corner of the room.

The **Copacabana collection** is distinguished by its design inspired by nature and modernist architecture. By superimposing several lamps, the effect of modern tiling can be recreated, adding an extra touch of light to the surroundings.
