## DESCRIZIONE PRODOTTO

**Flip Table Lamp** is a compact, original lamp with a strong decorative character. It is part of the **Flip** collection, a line designed to play with shape, color, and movement.

The design stems from the encounter between a luminous opal glass sphere and a slanted ceramic volume, inspired by pinball paddles. The result is a dynamic and unconventional lamp, capable of furnishing even when switched off.

Perfect for nightstands, shelves, consoles, desks, or small tables, Flip adds a soft and decorative light point to modern, contemporary, or creative environments. Its compact size makes it easy to fit even in small spaces, without sacrificing the personality of Ferroluce Decò design.

The Flip collection is also available in a **wall lamp** version, ideal for creating coordinated pairings between wall and tabletop.
