FERROLUCE DECÒ HABEA 1-LIGHT PENDANT LAMP

~~€ 486,00~~ € 372,00

The Habea 1 light pendant lamp combines original design and references to Wagenfeld's historic **Bauhaus** lamp and **Enzo Mari**'s famous fruit bowls. At its centre is the putella, a distinctive detail that enhances the balance between the solidity of ceramic and the lightness of glass - a distinctive feature.

Thanks to its particular shape, the lamp changes its appearance depending on the point of view: it can appear light and refined or decisive and with a strong presence. It is the ideal choice for those looking for a beautiful, functional object with personality.
