

FERROLUCE DECÒ HABEA 1-LIGHT WALL LAMP

~~€ 482,00~~ € 369,00

Habea is a wall lamp with an original design, inspired by **Wagenfeld**'s famous Bauhaus lamp and **Enzo Mari**'s fruit bowls. It is made of coloured ceramic with a frosted opal glass diffuser.

The heart of the lamp is the **putella**, a central detail that creates a play of contrasts between the solidity of the ceramic and the transparency of the glass. **Habea's** shape changes depending on the angle from which you look at it: on the one hand it seems light and elegant, on the other more solid and sculptural. Ideal for enhancing modern rooms with a touch of character.
