DESCRIZIONE PRODOTTO

Phytia from the **Ferroluce Decò** collection is an eclectic and original wall lamp. It is designed for those who want lighting that is an expression of design and craftsmanship made in Italy. **Made of hand-painted ceramic**, the Phytia wall lamp is inspired by a garden of **floral geometries,** where each element reflects the light in a dynamic and evocative way.

The light passes through the colourful shapes of the lamp as in a kaleidoscope, creating a play of light **made of shadows and reflections.** The finely modelled ceramic fragments seem to dance around the light source, transforming each wall into a living, vibrant surface.

With its **harmonious and symmetrical lines**, Phytia recalls the natural order and beauty of flowers opening in the sun. An artistic wall lamp that blends aesthetics, functionality and high quality Made in Italy craftsmanship, perfect for contemporary, boho chic or vintage-style environments.
