Distinctive details

The name **'Voilà**' recalls the moment when the ceramist takes the piece out of the mould. Thanks to an advanced pressing technique, this wall sconce features details and angularity that are difficult to achieve with traditional methods. The two concentric elements, enamelled in contrasting colours, are assembled with precision, enhancing its elegance and craftsmanship.

Versatility of use

Voilà is ideal for lighting both medium-sized spaces and long corridors, especially when installed in a sequence. Its ability to diffuse light evenly makes it an excellent choice for environments with a unique and dynamic character.

Why choose Ferroluce Decò Voilà wall lamp?
