SKU: Alice 3 luci Bianca- 2 dec | **Categories:** Suspension lamp, New products, Indoor Lighting | **Tags:** 1-light suspension lamp, glass pendant lamp

DESCRIZIONE PRODOTTO

The **Alice 3-light pendant lamp** is a simple and elegant solution to stylishly illuminate modern and

contemporary spaces.

From the round base **in white metal** (30 cm diameter) hang three pendants, each enhanced by an elegant gradient white glass diffuser with a 25 cm diameter. Thanks to this arrangement, the lamp combines functionality and refinement, naturally fitting into a range of settings: from the kitchen to the dining room, and even the bedroom.

This version comes with **two included decentralizer,** allowing you to install two of the three pendants at different points on the ceiling, choosing the most convenient or most eye-catching layout for the space. This way, the chandelier can easily suit either central lighting or a more dynamic, customized installation.

Moreover, **the adjustable cables** allow you to regulate the height of individual pendants based on space and needs.
