## DESCRIZIONE PRODOTTO

The **rectangular canopy is an element to complete the 3-light suspensions. Complete with bracket and mounting accessories**, this canopy is equipped with a **cable gland** and **electrical terminal block**, offering a simple, safe, and compliant installation.

With this canopy, you can create your suspension lamp according to your needs. In fact, you can arrange the suspensions on a single rod, choosing whether to mount them all at the **same height** for a neat look, or at **different heights** for a more dynamic and eclectic effect.

With **Alice**, you can also combine **different suspensions** to play with materials, shapes, and colors, creating a totally customized luminous composition.

The canopy is available in **three modern and versatile finishes**:

- Brass
- Black
- White

Thanks to its **compact design** and **quality finishes**, this canopy enhances any environment, from classic to contemporary.
