DESCRIZIONE PRODOTTO

The **Cleofe S6** is a perfect pendant for those who want to illuminate and decorate modern spaces with a sophisticated and contemporary style.
The lamp consists of **six glass diffusers of different shapes, and** thanks to the **adjustable cables**, each element can be positioned at a different height. This way, you can completely customize the pendant according to your needs and taste.

The **Cleofe** collection is designed for those looking for decorative lighting that is also a focal point of the space, ideal for **living rooms, dining rooms, kitchen islands, or contract environments**.

Available in two refined finish combinations:

- **White metal base** with **6 white glass shades**;

- **Black metal base** with **2 ochre glass, 2 cobalt glass, and 2 transparent amber glass shades**.

Each version offers a different visual effect: delicate and luminous in the white version, warmer and more sophisticated in the multicolored one.
