DESCRIZIONE PRODOTTO

Criseide is a pendant lamp with a geometric and elegant design, designed to enhance modern and contemporary interiors. Its large square shape creates a strong visual impact, making it ideal for living rooms, dining rooms, offices, and contract spaces.

The aluminum structure ensures lightness and durability and is available in **five refined finishes**: white, black, new beige, brushed gold, and sage green, to suit different decor styles. The opal white silicone diffuser ensures uniform and comfortable light.

The integrated **80W** LED source offers **biemission light** with a 360° diffused beam, perfect for

evenly illuminating the environment. The warm **3000K** light and **5300 lumen** luminous flux guarantee high lighting performance with low energy consumption.

Criseide is **phase-cut + push dimmable** via external dimmer (not included) to adjust light intensity according to your needs.

Also available in **smaller version**, for coordinated space design.
