DESCRIZIONE PRODOTTO

The **Gea Luce Criseide LED pendant light Ø96.6 cm** is a lamp with an essential, contemporary design that combines elegance and high lighting performance. Its iconic suspended ring creates a light and refined visual effect, ideal for enhancing modern spaces with a discreet yet striking presence.

The structure is made of **aluminum** and is available in **satin white, satin black and brushed gold** finishes, to easily adapt to different interior styles. The **opal white silicone diffuser** distributes uniform and pleasant light, while the **integrated bi-directional LED technology** ensures homogeneous **360°** illumination, helping to create welcoming and sophisticated atmospheres.

Thanks to the **phase-cut + push dimmable** function (external dimmer not included), the light intensity can be adjusted according to the environment's needs.

Perfect for illuminating **living rooms, lounges, dining tables, open spaces, modern bedrooms and contract environments**, it represents a solution with strong decorative and functional value.
