DESCRIZIONE PRODOTTO

The **Gea Luce Criseide 3 LED Light** pendant lamp consists of **three luminous rings of different sizes** that can be arranged at various heights to create an elegant visual play that adds dynamism and depth to the environment.

Ideal for illuminating **living rooms, open spaces, modern living areas, dining rooms, and bedrooms**, Criseide 3 Lights combines design and functionality with a **soft and homogeneous** diffused light, thanks to the opal white silicone diffuser. The aluminum frame is available in **satin gold, white, and black** finishes, allowing for a perfect match with any contemporary decor style.

The integrated LED source of **125W** ensures high brightness (6900 lm) while maintaining low energy consumption. The light intensity can be adjusted via **external dimmer or push (not included)**, allowing you to create the most suitable atmosphere for every moment.
