DESCRIZIONE PRODOTTO

The **Gea Luce Criseide S/1P** is an LED pendant lamp with a modern, minimalist design, featuring an elegant light ring that creates a light and sophisticated visual effect. Clean lines and minimal geometry make it a perfect furnishing solution for contemporary spaces, where aesthetics and functionality blend harmoniously.

The **aluminum** frame is available in **white, black, and brushed gold** finishes, allowing for easy integration into various stylistic contexts, from minimal to refined modern. The **opal white silicone diffuser** ensures uniform light distribution and optimal visual comfort.

The **integrated dual-emission LED** technology ensures **360°** diffused lighting, enhancing the environment with a warm, enveloping light. Thanks to the **phase-cut + push dimmable** function (external dimmer not included), the light intensity can be adjusted to suit different needs.

With its **9300 lumens**, Criseide S/1P offers high lighting performance, making it ideal for lighting **living rooms, modern lounges, dining tables, open spaces, professional studios, and contract environments**.
