DESCRIZIONE PRODOTTO

Criseide in the **small square** version retains the essential elegance and contemporary design of the collection, offering a versatile and refined lighting solution for tables, living areas, kitchens, bedrooms, and offices.

The structure is made of **aluminum** and is offered in **five carefully selected finishes**: white, black, new beige, brushed gold, and sage green. The **opal white silicone diffuser** ensures soft and uniform light distribution, contributing to visual comfort.

The **integrated 60W LED source** with **bi-emission** ensures 360° diffused lighting, with warm light

at **3000K** and a luminous flux of **4300 lumens**. Criseide is **phase-cut + push dimmable** via external dimmer (not included), allowing modulation of light intensity according to the environment's needs.

Thanks to the adjustable cable up to **300 cm**, the lamp easily adapts to different installation heights, maintaining a strong balance between aesthetics and functionality.

KEY FEATURES

- Aluminum frame in finishes: **white, black, new beige, brushed gold, and sage green**
- Diffuser in **opal white silicone** for soft and uniform light
- Integrated LED with high energy efficiency
- **Dimmable** via phase cut + push (dimmers not included)
- Perfect for modern environments: **living rooms, dining rooms, open spaces, bedrooms**
