DESCRIZIONE PRODOTTO

With the **metal decentralizer**, you can move **the light point** of a pendant lamp without having to modify the electrical system. Made of durable metal and available in **three elegant finishes** – brass, white, and black – it's perfect for creating customized pendant lamps.

Thanks to the **grub screw hook system**, it ensures a firm grip on the **2x0.75 mm cable**, maintaining the suspension's positioning in a stable and secure manner.

Technical Specifications:

- **Type:** Decentralizer for pendant lamps
- **Material:** Metal
- **Mounting:** Ceiling-mounted with grub screw
- **Cable compatibility:** 2x0.75 mm
- **Available finishes:**

- Brass
- White
- Black

- **Function:** Allows moving the cable drop point relative to the canopy

---

Why Choose it:

- Ideal for **decentralizing** pendant lamps without moving the light point
- **Secure fastening** thanks to the grub screw system
- Perfect for multi-light installations or asymmetrical compositions
- Available in **colors to match** canopies and suspensions

Ideal for:

- Single or multiple pendant lamps
- Environments where the ceiling light point is not centered relative to the furniture
- Custom lighting projects
