DESCRIZIONE PRODOTTO

Efira is a desk lamp with contemporary design, created to offer maximum functionality and style in modern spaces. The lamp is adjustable and allows you to direct light where needed.

Thanks to the **integrated 6.2W LED** with **3000K** color temperature (warm light) and a luminous output of **429 lumens**, Elfira is ideal for studying, reading and desk work. The **semi-transparent methacrylate** diffuser ensures uniform and comfortable light distribution.

Switching on and adjusting light intensity is done via the **integrated push dimmer button on the lamp head**, for practical and immediate control.

Available in **4 colors**: matte white, matte black, dove grey and burnt orange

---
