DESCRIZIONE PRODOTTO

The **Enila wall lamp** by Gea Luce is the perfect combination of minimalist design and functionality. The lamp has an **aluminium structure** and an **opal white silicone diffuser,** providing soft, uniform lighting. Its slim, elongated 80 cm design makes it perfect for decorative installations on walls in living rooms, corridors, bedrooms or professional spaces. It can be installed either vertically or horizontally.

Thanks to the integrated 20W LED (warm light 3000K, 1410 lumens), it guarantees efficient and cosy lighting. The dimmable function via an external dimmer (not included) allows you to easily adjust the light intensity according to your needs.

Technical features:
