DESCRIZIONE PRODOTTO

The **Gea Luce Flor Ø100 cm ceiling light** is a lighting solution with great aesthetic impact, perfect for modern interiors and large spaces. Its **luminous ring** design creates an elegant and understated effect.

Made with an **aluminum structure**, the ceiling light stands out for its clean, minimalist lines, ideal for living rooms, open spaces, dining rooms, and professional environments. The **opal white methacrylate diffuser** ensures uniform light distribution, reducing glare and guaranteeing high visual comfort.

Thanks to the **integrated 80W LED source**, Flor offers high brightness of **6300 lumens**, perfect for illuminating large spaces. The **warm 3000K light** helps create a welcoming and refined atmosphere.

The ceiling light is **dimmable via an external phase-cut dimmer or push system** (not included), allowing you to adjust the light intensity according to your needs.

With its **large 100 cm diameter**, Flor is ideal for those seeking a large ceiling light with contemporary design.
