DESCRIZIONE PRODOTTO

The **Gea Luce Flor Ø40 cm ceiling light** is the perfect solution for those seeking compact, elegant, and modern lighting. Its **luminous ring** design creates a light and refined visual effect, ideal for contemporary spaces where space and aesthetics are key.

Made with an **aluminum frame** and **opal white methacrylate diffuser**, it ensures even and comfortable glare-free light. The finish adds a sophisticated decorative touch, perfect for modern and minimalist settings.

The **integrated 30W LED source** produces **2300 lumens**, making this ceiling light ideal for compact spaces such as hallways, corridors, bedrooms, or kitchens. The **3000K warm light** helps create a cozy and pleasant atmosphere.

The ceiling light is **dimmable via an external phase-cut dimmer or push system** (not included), allowing you to adjust the light intensity as needed.

Thanks to its **40 cm diameter**, Flor is perfect as a single light point or combined with other sizes from the same collection to create harmonious compositions.
