DESCRIZIONE PRODOTTO

Flor is a ceiling lamp with a modern and elegant design, designed to offer uniform lighting. Its **luminous ring** shape creates a light and refined visual effect.

Made with an **aluminum frame**, Flor is available in **satin white, satin black, and brushed gold** finishes, three versatile variants that integrate perfectly into living rooms, dining rooms, bedrooms, or professional environments.

The **white opal methacrylate diffuser** ensures soft and homogeneous light diffusion, reducing glare and improving visual comfort.

The ceiling light integrates a **60W LED source** with **4300 lumens** and **3000K color temperature (warm light)**, ideal for creating a welcoming and functional atmosphere. It is also **dimmable via external phase-cut dimmer or push system** (not included), allowing you to adjust the light intensity according to the needs of the room.

With a **diameter of 80 cm and a height of only 8 cm**, Flor is perfect for lighting medium and large environments.

The ceiling light belongs to the **Flor collection**, also available in **other sizes**, ideal for creating coordinated compositions within the home.
