ELEGANT DESIGN

The outdoor wall lamp Il Fanale Decori has a linear and elegant design. You can choose between two available finishes: copper and copper iron. This type of finish makes the lamp suitable for country and traditional environments, but also for more modern and minimalist ones.

High-quality materials

The Outdoor Applique Lamp - I Decori by il Fanale is made of high quality materials that guarantee resistance and durability. The copper or iron frame is robust and weatherproof, while the transparent glass protects the bulb from moisture.

The materials used to manufacture the lamp are carefully selected to ensure superior quality. The copper and iron are treated to withstand extreme weather conditions, such as rain and wind, and to maintain their original appearance over time.

Maintenance

To keep your outdoor wall light - Decors by I Fanali in optimal condition, it is important to regularly clean the surface and check that all parts are securely attached.

Clean the surface of the lamp with a soft, dry cloth to remove accumulated dust and dirt. Do not use harsh or abrasive chemicals for cleaning, as they may damage the lamp materials.
