DESCRIZIONE PRODOTTO

The **Maytoni Cosmo pendant light** represents the perfect blend of LED technology and innovative design. Crafted from **brass-finish metal** and enhanced with glass elements, this lamp stands out for its modern style inspired by sci-fi shapes.

With its linear structure featuring cylindrical modules and a central sphere, Cosmo is ideal for elegantly furnishing modern and designer spaces.

☐ **Powerful and uniform LED lighting**

Equipped with an integrated **39W** LED, the lamp produces a luminous flux of **4,800 lumens**, perfect for effectively lighting living rooms, dining rooms, kitchens, and shops.

The **3000K** warm light creates a cozy atmosphere, while the **360°** beam angle ensures uniform light

distribution.

▣ **Futuristic design pendant light**

The distinctive design of the Cosmo series evokes space elements and dynamic shapes:

- brass-colored metal structure
- decorated glass diffusers
- modular composition with a central spherical element

A perfect solution for those seeking a **modern designer lamp** capable of becoming the centerpiece of the room.

▣ **Versatile and adjustable installation**

The lamp features **adjustable height** (from 475 mm to 1,375 mm) and a **dual-mount** system, allowing for both horizontal and vertical installation.

▣ **Main technical specifications**

- LED pendant light
