DESCRIZIONE PRODOTTO

Pascal is a refined **ceiling light** that combines classic elegance with striking decorative details. The **white metal structure with gold finishes** adds brightness and character to the room, while the **frosted glass diffuser with sandblasted decoration** spreads light evenly, creating a warm and welcoming atmosphere.

The ornamental design of the frame and diffuser makes this ceiling light ideal for elegant and sophisticated settings, perfect for **living rooms, bedrooms, entryways, or hallways**.

It features **three E27 lamp holders**, allowing you to freely choose the bulbs that best suit your lighting needs, including low-energy LED bulbs.

Thanks to its compact dimensions and **37 cm** diameter, the Pascal ceiling light is an ideal choice for lighting home environments while maintaining a classic and harmonious aesthetic.

The collection is also available in a **bronze finish version.**
