DESCRIZIONE PRODOTTO

The **Miloox Buble 4-light** table lamp represents a perfect balance between geometric rigor and lightness of form. The **brushed steel finish metal structure, enhanced with bronze details,** holds four spherical diffusers made of **blown opal glass** that create an evocative visual and

luminous effect.

The spheres, of different diameters (one 15 cm and three 10 cm), give movement and harmony to the composition, transforming the lamp into a true design object. Ideal as a light source in living rooms, studies, or bedrooms, it provides soft and diffused lighting, elegantly enhancing the surrounding environment.

The lamp is part of the **Buble** collection, which includes pendant lights, ceiling lights, table lamps, and floor lamps.
