## DESCRIZIONE PRODOTTO

Discover the sophistication and versatility of the **Miloox Mikado**: a four-light lamp that combines modern design and functionality. This lamp can be installed either as a **wall sconce o**r as a **ceiling ligh**t, adapting perfectly to different environments, from the most contemporary to the minimalist.

## Technical Features:

- **Contemporary design:** designed for modern environments, the Mikado combines a minimalist aesthetic with a strong visual presence, making it perfect for living rooms, bedrooms or

entryways.

- **Soft-touch black metal frame**: the frame is made of metal with a soft touch finish, powder coated for durability and a sophisticated look.
- **White blown glass diffusers**: white diffusers (14 cm diameter) provide even, warm light, ideal for creating cozy atmospheres.
- **Arm rotation:** the secondary arms of the lamp can be rotated to customize the arrangement and orientation of the light. Arm lengths are 53 cm, 70 cm and 78 cm to offer maximum flexibility.
- **G9 bulbs**: compatible with G9 bulbs, for efficient and versatile lighting.

## Compositional flexibility

The **Mikado collection** is renowned for its compositional freedom. With the ability to orient the arms at different angles, you can create rigid, orthogonal geometries or explore more fluid and dynamic configurations, adapting the lamp to the style of your environment.

## International recognition

Thanks to its innovative design and flexibility, the **Mikado collection** received the prestigious **Good Design Award,** an accolade for its balance of form and function.
