UMBRELLA STAND - SIMONETTI CERAMICA DI CASTELLI

€ 206,00

Cylindrical umbrella stand 'sun.

The ceramic umbrella stand was made and decorated by hand in the Castelli handicraft tradition. An elegant, brightly coloured object that fits into any type of decor
The "stars and dreams" collection proposed by Ceramiche Simonetti takes its inspiration from the ceiling tiles of the church of San Donato in Castelli (1615), a collection that consists of various objects, shapes and subjects. On the tiles that make up the ceiling of the church, there are astral subjects: the Sun, the Moon and the stars, which were propitiatory symbols. Taking inspiration from them and thanks to the contribution of young artists, a collection has been developed that consists of many original furnishing accessories.

Dimensions: h cm 50
