DESCRIZIONE PRODOTTO

The **Verado Burgundy pendant light** interprets contemporary design through an intense, refined color that adds personality even to the simplest spaces.

The burgundy structure pairs with the white glass diffuser, creating an elegant contrast that highlights the lamp's rounded, overlapping forms.

With its 41 cm diameter, Verado Burgundy is particularly well-suited above a dining table, in a modern kitchen, or in a living room where you want to add a distinctive decorative touch.

The **burgundy** tone pairs beautifully with wood, beige shades, taupe, and natural materials, helping create warm, contemporary spaces.

The pendant light features an E27 socket for LED bulbs up to 15W and an adjustable-height cord.

An interesting choice for those seeking a modern chandelier that makes a statement even when switched off.
