DESCRIZIONE PRODOTTO

The **Verado Navy Blue pendant lamp** is an original choice for those who want to introduce a touch of color to their decor without sacrificing elegance.

The contrast between the navy blue structure and the white glass diffuser enhances the unique layered design, inspired by retro lighting shapes but reinterpreted in a contemporary key.

With a 41 cm diameter, Verado Navy Blue is ideal for lighting a dining table, a kitchen island, or a modern living room. Its intense color pairs particularly well with light-colored furniture, natural wood, and metallic details, adding a touch of elegance and personality to the room.

The adjustable cable allows for customized installation height, while the E27 socket offers the freedom to choose an LED bulb with warm or neutral light.

A decorative pendant with a strong personality, perfect for adding character even to the most

minimalist settings.
