DESCRIZIONE PRODOTTO

Atena is an elegant and modern 50 cm diameter Led ceiling light, ideal for illuminating any room in your home. Thanks to its simple and refined line, it adapts perfectly to different styles of decor.

In fact, it is available in five color variants: **white, black, sand, silver+copper and bronze**. You can choose the shade that best suits your taste and the environment in which you wish to install the ceiling light.

The range of available sizes allows you to find the diameter that best suits your needs. If you would like to discover other sizes , you can consult the "**You might be interested"** section.

TECHNICAL FEATURES:

The **Athena** ceiling light is equipped with a handy CCT selector switch that allows you to set the color of the light between **two options: warm light at 3000 K or neutral light at 4000 K**. This way you can create the perfect atmosphere for any occasion.

One of the distinguishing features of this ceiling light is the **backlight,** which ensures an even distribution of light in the surroundings. Thanks to the **bi-emission** technology, you can enjoy optimal downward and upward brightness.

- Size: diameter 50 cm | 'height 6.5 cm.
- Wattage: the power of the ceiling light is 48 W, ensuring good brightness without excessive power consumption.
- **3000 K**: With a color temperature of 3000 K, this ceiling light emits 2970 lm of warm,

enveloping light.

- **4000 K**: If you prefer a more neutral light, you can set the color temperature to 4000 K and enjoy 3300 lm of brightness.

Not only does the Athena ceiling light offer high performance from a technical point of view, but it also blends seamlessly into your decor with its sleek and modern design. Whether you install it in the living room, bedroom, or other rooms in the house, this ceiling light will add a touch of style and functionality to the room.
