TECHNICAL FEATURES:

An interesting feature of **Atena** is the possibility to change the **colour of the light from 3000 K to 4000 K**. This function allows you to adjust the colour of the light according to your personal

preferences or the needs of the environment. In addition, **backlit lamps** and **bi-emission** ensure an even light distribution, creating a cosy and inviting atmosphere.

- Size: diameter 60 cm | height 6.5 cm.
- Wattage: the power of the ceiling light is 50 W, guaranteeing good brightness without excessive energy consumption.
- Lumen 3000 K: With a colour temperature of 3000 K, this ceiling light emits 3300 lm of warm, enveloping light.
- Lumen 4000 K: If you prefer a more neutral light, you can set the colour temperature to 4000 K and enjoy 3700 lm of brightness.

The **Atena** ceiling light is an excellent choice for anyone who wants elegant, modern and versatile lighting. Thanks to its simple and refined design, it fits perfectly into different furnishing styles. With the possibility of adjusting the colour of the light and an even distribution thanks to backlit and bi-emitting lamps, Atena offers high-quality lighting and creates a cosy atmosphere in any room.
