DESCRIZIONE PRODOTTO

Atena is an elegant and modern LED lamp with a diameter of 80 cm, ideal for illuminating any room in your home. Thanks to its simple and refined line, it fits perfectly into different furnishing styles.

This ceiling light is available in five colour variants: **white, black, sand, silver+copper and bronze**. You can choose the one that best matches your taste and the decor of your home. Furthermore, the range of available sizes allows you to find the diameter that best suits your needs. If you would like to discover other sizes, please refer to the "**You might be interested" section.**

TECHNICAL FEATURES:

An interesting feature of **Atena** is the possibility to change the **colour of the light from 3000 K to 4000 K**. This function allows you to adjust the colour of the light according to your personal preferences or the needs of the environment. In addition, **backlit lamps** and **bi-emission** ensure an even light distribution, creating a cosy and inviting atmosphere.

- Size: diameter 80 cm | height 6.5 cm.
- Wattage: the power of the ceiling light is 80 W, guaranteeing good brightness without excessive energy consumption.
- Lumen 3000 K: With a colour temperature of 3000 K, this ceiling light emits 4850 lm of warm, enveloping light.
- Lumen 4000 K: If you prefer a more neutral light, you can set the colour temperature to 4000 K and enjoy 5200 lm of brightness.

In conclusion, if you are looking for an elegant, modern and versatile ceiling light, **Atena** is the ideal

choice. With its 80 cm diameter, the possibility to change the light colour, and its simple and refined line, this LED lamp will stylishly illuminate any room in your home.
