## DESCRIZIONE PRODOTTO

Nebula integrated LED ceiling light in chrome metal and acrylic. Led light color 3000 K - Lumen 1056 lm - 15w. Diameter cm. 47 - height cm. 15.5 cm

This particular ceiling lamp has a chromed aluminum structure and an acrylic diffuser that spreads the light harmoniously throughout the room. Its original and captivating shape makes it perfect for lighting living rooms, kitchens and bedrooms.

Thanks to an innovative high-tech structure, the pendant lamps and ceiling lights of the NEBULA collection provide warm and enveloping lighting in every room of the house. In addition, the design with soft and light lines are reminiscent of the clouds that streak the sky.

Two sizes are available: 47 cm and cm. 70. In addition to the ceiling light, a suspension lamp is available.
