DESCRIZIONE PRODOTTO

The **Segmento pendant lamp** is a modern and elegant lighting solution, designed for those who wish to enhance their living spaces.

Its **linear and clean design** makes it ideal for contemporary spaces such as kitchens, living rooms, dining rooms, offices, and shops. **Segmento** stands out for its **dual up & down light emission**, capable of effectively illuminating the surfaces below while creating a pleasant diffused effect towards the ceiling.

Thanks to the **integrated CCT selector**, you can choose the most suitable color temperature for your needs directly during installation:

- **2700K** for a warm and welcoming atmosphere
- **3000K** for a natural and balanced light
- **4000K** for operational and professional environments

The slim structure in **aluminum and polycarbonate** ensures solidity and durability over time, maintaining a minimal aesthetic that easily adapts to different decor styles.
