TECHNICAL FEATURES:

The **Pinco** ceiling light is equipped with a handy CCT selector switch that allows you to set the color of the light between **two options: warm light at 3000 K or neutral light at 4000 K**. This way you can create the perfect atmosphere for any occasion.

- Size: diameter 30 cm | 'height 7.5 cm.
- Wattage: the power of the ceiling light is 20 W, ensuring good brightness without excessive power consumption.
- **3000 K**: With a color temperature of 3000 K, this ceiling light emits 1500 lm of warm, enveloping light.
- **4000 K**: If you prefer a more neutral light, you can set the color temperature to 4000 K and enjoy 1600 lm of brightness.

Not only does the **Pinco** ceiling light offer high performance from a technical point of view, but it also blends seamlessly into your decor with its sleek and modern design. Whether you install it in the living room, bedroom, or other rooms in the house, this ceiling light will add a touch of style and functionality to the room.
