DESCRIZIONE PRODOTTO

The **Sunset 3-light pendant** is a lamp with an elegant and contemporary character, designed to furnish and illuminate refined environments with style. The curved **brushed gold** structure creates a soft and decorative line, while the three spherical **frosted glass** diffusers emit a warm and comfortable light.

The design of the **Sunset** collection evokes a harmonious balance between form and light: a scenic element capable of taking center stage over a dining table, in the living room, in the bedroom, or in a contract setting. The gold finish adds brightness and prestige, making this pendant ideal for modern, glamorous, and sophisticated interiors.

With an **18W** LED power, a light output of **2100 lumens**, and a **3000K** color temperature, the lamp offers warm and welcoming lighting, perfect for creating atmosphere without sacrificing functionality. The **dimmable** function allows you to adjust the light intensity according to your needs, switching from a brighter light to a softer, more relaxing effect.

Made of **aluminum, iron, and glass**, the Sunset pendant combines build quality, lighting comfort, and strong decorative value. The **1.5 m** cable allows for great installation versatility, adapting to different heights and room configurations.

Why Choose It

The **Vivida International Sunset 3-light pendant** is the ideal choice for those seeking an elegant, bright, and decorative lamp. The frosted glass diffusers soften the light, while the brushed gold structure adds personality and sophistication to the space.
