DESCRIZIONE PRODOTTO

The **Sunset 4-light pendant** is a perfect lamp for illuminating and enhancing elegant spaces with warm, soft light. The curved **brushed gold** structure creates a refined and striking silhouette, while the four **frosted glass** diffusers distribute light harmoniously, helping to create a pleasant atmosphere.

Its contemporary design makes it perfect above a **dining table**, in a sophisticated living room or in a modern living area. The brushed gold finish adds a precious touch without being excessive, transforming the lamp into a true design element even when switched off.

Equipped with an integrated **24W** LED source, the pendant offers a luminous flux of **2800 lumens** and a color temperature of **3000K**, ideal for those seeking warm and comfortable light. The **dimmable** function allows you to adjust the light intensity according to the environment and time of day, switching from more functional lighting to softer, more relaxing light.

The lamp is made of **aluminum, iron and glass.** The **1.5 meter** cable allows versatile height adjustment, easily adapting to different installation needs.

Why Choose It

The **Sunset 4-light brushed gold pendant** is designed for those seeking a striking yet balanced lamp, capable of decorating with elegance and offering warm, comfortable lighting. The four frosted diffusers create diffused and pleasant light, ideal for making any space more welcoming.
