DESCRIZIONE PRODOTTO

The **Vivida International Sunset wall sconce** is an elegant wall lamp designed for those who want decorative lighting capable of enhancing the environment with style. The **brushed gold** finish adds character and sophistication, making this sconce an ideal choice for modern, contemporary, or refined interiors.

The **Sunset** collection stands out for its combination of a metal structure and **frosted glass diffusers**, a solution that provides soft, warm, and comfortable light. With a color temperature of **3000K**, the sconce creates a cozy and relaxing atmosphere, perfect for living rooms, bedrooms, entrances, hallways, reading areas, and contract environments.

The integrated **18W** LED source offers a luminous flux of **2100 lumens**, ensuring effective lighting without sacrificing visual comfort. The **dimmable** function allows you to adjust the light intensity based on the time of day or the desired atmosphere: brighter for daily activities, softer for an intimate and evocative setting.
